what's changed?

22 On Sundays and Public Holidays, an enhanced service operates every 30 minutes throughout most of the day alongside a new hourly service in the evening. All Sunday and Public Holiday buses continue as route 73 from Lakeside towards Grays and Tilbury with no need to change bus, offering simpler direct connections across Thurrock.

The times of some early and late journeys on all days are changed to better suit travel patterns for the majority of users, with a slightly reduced frequency during the late evening when fewer people are travelling.

Weekday buses to & from Purfleet-on-Thames are better aligned with Harris Academy Riverside start and finish times.

44 There are changes to the timetable on all days to help us keep to time more easily when the traffic is heavy. Schoolday buses to & from Purfleet-on-Thames are better aligned with Harris Academy Riverside start and finish times.

73 On Mondays to Fridays there is an enhanced service with a bus towards Lakeside every 20 minutes during the day, and every 15 minutes towards in the morning peak period.

On Sundays & Public Holidays, all journeys operate via Chadwell St Mary, Lakeside Retail Park & Tesco offering better direct connections across Thurrock with no need to change bus. Buses towards Lakeside change into route 22 at Grays and continue towards Lakeside & Aveley, Usk Road.

The times of some early and late journeys on all days are changed to better suit travel patterns for the majority of users, with a slightly reduced frequency during the late evening when fewer people are travelling.

Buses finish at and start from Montreal Road in Tilbury at all times, calling at Civic Square towards Grays and Lakeside. Unfortunately, Tilbury Town, Tilbury Asda and Amazon are no longer served by this route.

83 There are changes to the timetable to help us keep to time more easily when the traffic is heavy.

x80 All journeys towards Lakeside leave Greenhithe Station one minute later, running one minute later throughout the rest of the journey.
